# Pearl City Leadership Society

**GIVE. ADVOCATE. VOLUNTEER.**  
**LIVE UNITED** 

The Pearl City Leadership Society is designed to encourage and recognize individuals in our community who make gifts of \$1,000 or more annually to United Way. The program consists of six membership societies for those donors whose strong commitment to helping others is exemplified through their generous gifts to United Way.

At the core of every worthwhile endeavor are leaders whose caring and personal leadership set the course for others. As a leadership giver, you can combine public purpose with private giving to make strategic investments in the whole range of health and human service issues in our community. If you are not currently a leadership giver, we encourage you to become one. If you are already a leadership giver, please consider increasing your contribution.

### What your leadership gift can do:

- A gift of \$1300 provides one year of mentoring for two children
- A gift of \$1,000 provides six months of services to help three at-risk families develop and maintain positive parenting skills and build stronger family ties.
- A gift of \$2,500 provides 20 distressed families access to counseling for issues such as anxiety, depression, unemployment, parenting support or poor school/work resources.
- A gift of \$5,000 supports 20 kids in an enriched after school program for four months.

**Together we are making a difference through investing in programs that create lasting change and focus on results that change lives.**

United Way has made every effort to ensure all leadership donors were listed for the 2010-2011 campaign. We apologize if we have missed someone.
